Prathmesh Dhembre

Senior Web Developer

PROFILE

Experienced Senior Web Developer specializing in React.js, building scalable, high-performance applications with seamless user experiences. Passionate about advancing front-end development and honing React expertise. Eager to contribute to an innovative, growth-driven team.

WORK EXPERIENCE

Senior Web Developer OCT 2023 - SEP 2024
Hyplap IT Solution Pvt Ltd

- Led the frontend team, managing architecture, code reviews, and ensuring best practices in React and modern JavaScript frameworks.
- Collaborated with UI/UX, backend, SEO, and QA teams to deliver responsive, high-quality web applications.
- Built scalable, component-based solutions using React, Next.js, and Redux, enhancing performance and maintainability.

Frontend Web Developer NOV 2022 - OCT 2023
Hyplap IT Solution Pvt Ltd

- Built responsive and interactive user interfaces using HTML, CSS, JavaScript, and Bootstrap, ensuring cross-browser compatibility and mobile responsiveness.
- Focused on delivering highly performant and accessible web applications to improve user experience and SEO rankings.
- Collaborated with designers to implement pixel-perfect UI, ensuring adherence to brand guidelines and design specifications.

Graduate Engineering Trainee
Pharma Access Pvt. Ltd. Jul 2021 - Dec 2021

- As a part of Civil and Architecture Team, I designed pharmaceutical layouts and prepared BOQs. Collaborated on turnkey EPC solutions for the pharma and biotech sector, ensuring compliance and cost efficiency. Gained hands-on experience in engineering and project execution.
